Nestled on Archway Road in the vibrant heart of London, this contemporary two-bedroom house offers a delightful living experience. Spanning an impressive 657 square feet, this fourth-floor residence was built in 2012 and boasts modern features that cater to today's lifestyle.

As you enter, you will be greeted by a spacious and inviting layout, with carpeted flooring throughout that adds warmth and comfort. The modern kitchen is well-equipped, making it a joy for culinary enthusiasts to prepare meals. The property benefits from double-glazed windows, ensuring a peaceful atmosphere while enhancing energy efficiency.

One of the standout features of this home is the large balcony terrace, perfect for enjoying a morning coffee or unwinding after a long day. The outdoor space provides a lovely spot to soak up the sun and take in the views of the surrounding area.
